Important Information:

- **Availability:** All equipment and packages are subject to availability. Please contact us in advance to confirm your rental dates.
- **Rental Agreement:** A rental contract will need to be signed before the equipment is rented. This ensures clarity on terms, including care for the equipment during your rental period.
- **Responsibility:** While the equipment is in your care, we ask that it's treated with respect. If anything happens, such as damage or malfunction, you would be responsible for covering the cost of repair or, in rare cases, replacement. We'll work with you to find the best and most reasonable solution.
- **Insurance:** Depending on the value and length of the rental, we may ask for proof of insurance for added peace of mind.
- **Security Deposit:** A refundable security deposit may be required as a safeguard for both parties.
- **Late Returns:** To ensure smooth operations, please return the equipment on time. Late returns may result in additional fees.
